📍 WestBengal, India

## SUMMARY

Enthusiastic and detail-oriented B.Tech Computer Science and Engineering undergraduate with a foundation in programming, problem-solving. Passionate about software engineering, eager to explore emerging technologies, and committed to building efficient, scalable, and user-friendly solutions. Adept at working in collaborative environments, continuously improving coding practices, and embracing challenges to drive innovation. Seeking opportunities to apply my knowledge to real-world projects, contribute meaningfully to dynamic teams, and expand my expertise in the ever-evolving tech industry.

## EXPERIENCE

### Ambassador

**Creds**

📅 02/2025 - Present

### Community Captain

**Zuno by Foundit**

📅 01/2025 - Present

### Indigo Squad Member

**Mood Indigo, IIT Bombay**

📅 11/2024 - Present

### Student Ambassador

**LetsUpgrade**

📅 08/2024 - 08/2024

### Internshala Student Partner (ISP)

**Internshala**

📅 06/2024 - 08/2024

### Member

**International Association of Engineers**

📅 04/2024 - 05/2024

## PROJECTS

### DIPTRONIC : Your ElectroTech Hub

📅 08/2024 - 08/2024

- Developed using HTML, CSS, and JS, the platform leverages cutting-edge technology to provide a seamless online shopping experience.
- Explore a wide selection of electrical and technical products from top brands.
- Easily navigate products with intuitive website design.
- Visit the Website at :- <https://diptronic.netlify.app>

## EDUCATION

### Bachelor of Technology in Computer Science & Engineering

**Siliguri Institute of Technology, Siliguri**

📅 08/2023 - 06/2027

### Higher Secondary (AISSCE)

**Railway Higher Secondary School,  
Alipurduar**

📅 04/2021 - 03/2023

### Secondary (ICSE)

**St.Xavier's School, Alipurduar**

📅 04/2015 - 03/2021

## SKILLS

Programming : C, Java, Python

Tools & Platforms : VS Code, Project IDX, MS 365, Canva

Soft Skills : Strong Communication, Problem-Solving,  
Analytical Thinking, Team Collaboration

## KEY ACHIEVEMENTS

**2nd in District's Poster Making  
Competiton on World Environment Day**

**Qualified in All India Common  
Internship Test by Internship Studio**

## CERTIFICATIONS

- International Conference on Data Science and Communication
- TCS iON Career Edge (Young Professional Program)
- Naukri Campus Young Turks
- Unstop Talent Park 2025
- Data Science Hackathon by IIT Kharagpur
- Software Engineering Job Stimulation by Goldman Sachs
- NASA Open Science
- Organizational Culture, Diversity, and Ethics
- Python for Beginners
- Java Programming
